### HYMN (Everyone stand)

Joyful, Joyful,  
We Adore Thee ..... Ludwig van Beethoven, 1824  
Eleanore Mae Johnson, Director, Class of 1992

Joyful, joyful, we adore thee  
God of glory, Lord of love;  
Hearts unfold like flowers before thee,  
Opening to the sun above.  
Melt the clouds of sin and sadness,  
Drive the dark of doubt away;  
Giver of immortal gladness,  
Fill us with the light of day.

All thy works with joy surround thee,  
Earth and heaven reflect thy rays,  
Stars and angels sing around thee,  
Center of unbroken praise.  
Field and forest, vale and mountain,  
Flowery meadow, flashing sea,  
Chanting bird and flowing fountain,  
Call us to rejoice in thee.

Thou art giving and forgiving,  
Ever blessing, ever blest,  
Well-spring of the joy of living,  
Ocean depth of happy rest!  
Thou our Father, Christ our brother,  
All who live in love are thine;  
Teach us how to love each other,  
Lift us to the joy divine.

Mortals, join the happy chorus  
Which the morning stars began;  
Father love is reigning o'er us,  
Brother love binds man to man.  
Ever singing, march we onward,  
Victors in the midst of strife;  
Joyful music leads us sunward  
In the triumph song of life.  
Amen.

## ACADEMIC REGALIA

Academic Regalia is a tradition dating from the middle ages, when long robes and hoods were everyday attire, designed to protect against the cold and drafts of medieval university halls. It remains the costume at some British universities.

The many variations among academic dress are not incidental, but are rich in meaning. Each costume represents both the degree held by the wearer and the institution which awarded it. While in Europe each university has been free to adopt whatever designs it wished, a considerable degree of standardization has been achieved in the United States. Following are some of the elements of the code of academic dress.

**HOODS.** The hood, which is draped down the back, carries more symbolic significance than any other part of the costume. The border, extending over the shoulders to meet in a V at the front, indicates by its colors the discipline in which the degree was earned. Colors for some of the faculties are: *white*, arts, letters, humanities; *cream*, social science; *dark blue*, philosophy; *light blue*, education; *scarlet*, theology; *pink*, music; *golden yellow*, natural science; *lemon*, library science; *drab*, business, accounting; and *sage green*, physical education.

The lining of the hood, partly exposed, is in the colors of the university which granted the degree (for Whitworth, red and black). Doctor's hoods are longer than master's hoods and have a wider border. Bachelor's degree recipients do not wear hoods.

**GOWNS.** Black gowns are the rule, but a few universities use other colors. A doctor's gown is most readily recognizable by three horizontal velvet bars on each sleeve, either black or in the color of the discipline in which the degree was granted. Typically, a doctor's gown also has velvet panels down the front. The typical master and bachelor gowns do not have decorated panels or sleeves.

**CAPS.** The familiar hard-topped mortarboard, or "Oxford cap," has long been standard, but a soft tam is increasingly common. The tassels are usually black or the color of the discipline. The tassel on a doctor's cap is usually metallic gold.

## THE BANNERS

The banners carry the seals of the Presbyterian Church (U.S.A.) and of Whitworth College. Designed for the 1988 Commencement by Professor "Spike" Grosvenor and constructed by "Spike" Grosvenor, Erlene Grosvenor, and Barbara Filo, these banners are a permanent part of the commencement exercises.

## GRADUATION HONORS\*

Graduation honors at Whitworth College are based on the traditional Latin wording, "*cum laude*" (with honor), "*magna cum laude*" (with high honor), and "*summa cum laude*" (with highest honors). The criteria for these honors are based on the grade point average earned at Whitworth College, and are as follows: *cum laude*, 3.50 and above; *magna cum laude*, 3.75 and above; *summa cum laude*, 3.90 and above.

The President's Cup is awarded to the person who has completed his or her entire baccalaureate degree credits at Whitworth College and has the highest grade point average.

## HONORARY DEGREES

Kathleen Ross, Ph. D., from the Sisters of the Holy Names of Jesus and Mary (snjm), graduated from Fort Wright College with a bachelor's degree in 1964; she earned a master's degree at Georgetown University (1972) and a doctorate at Claremont Graduate School (1979). She served her order in a variety of teaching and administrative roles, first in secondary schools and then in higher education. In 1981, she was instrumental in founding Heritage College in Toppenish, Wash., where she serves as president. There in the midst of hop fields and orchards, she and a dedicated faculty and staff work to fulfill the college's unique mission: to "provide quality, accessible higher education to a multicultural population that has been educationally isolated." As a result of these successes, Dr. Ross has become a nationally recognized leader in minority education.

## CLARIFICATIONS

(1) Participation in commencement and inclusion in the commencement program does not guarantee official granting of a degree. The Graduate Office/graduate program (master's) and the Registrar's Office (baccalaureate) verify completion of all coursework and degree requirements before a degree is conferred.

(2) The official document verifying degree completion is the Whitworth College transcript signed and sealed by the Registrar.

\*(3) Academic honors appearing in this commencement program are based upon credits completed prior to spring semester 1992. Final honors recognition will appear on students' transcripts and will be based upon Whitworth College academic credits used in meeting requirements.
